

HITACHI PERFORMA™ CP-RS55 PROJECTOR

LIMITED WARRANTY FOR DEMO OR REFURBISHED PRODUCTS
(B-STOCK ONLY)

THIS LIMITED WARRANTY SETS FORTH CERTAIN RIGHTS AS WELL AS CERTAIN WARRANTY DISCLAIMERS AND EXCLUSIONS FOR DEMO OR REFURBISHED (B-STOCK) HITACHI PERFORMA CP-RS55 PROJECTOR PRODUCTS. PLEASE READ THIS DOCUMENT CAREFULLY.

1. **Limited Warranty.** Hitachi America, Ltd. ("Hitachi") stands behind the quality of its products and warrants to original end user purchasers in the United States of America only that demo or refurbished (B-Stock) Performa CP-RS55 Series projector products will be free from defects in material and workmanship for nine (9) months after original purchase from an authorized Hitachi dealer in the United States of America, in either case subject to the exceptions, exclusions and disclaimers set forth below. This warranty extends to the original end user purchaser only and cannot be transferred to another individual or organization.

2. **Exceptions to Limited Warranty.** The following items are exceptions to the above limited nine month warranty and are not covered by the warranty or are subject to different warranty periods:

(a) The warranty for accessories (except batteries) is for parts only and is effective for a period of 30 days only after the date of purchase of the projector. Batteries are not covered by this warranty under any circumstances.

(b) The warranty for lamps that are included as original equipment in the projectors is for parts only and is effective for a period of 30 days after the date of purchase of the projector.

(c) The warranty period for LCD panels (including polarizers) is either 9 months from the date of purchase of the projector or 1000 hours of projector usage, whichever occurs first. If within 9 months from the date of purchase of the demo or refurbished projector, the LCD panel requires replacement and is otherwise eligible for warranty coverage, but the projector has exceeded 1000 hours of usage, Hitachi's warranty will cover the cost of labor, but not the cost of parts that require replacement.

(d) All repaired or replaced parts subject to this Section 2 shall be warranted only for the remainder of the warranty period specified for such parts in this Section 2.

3. **General Warranty Exclusions.** This warranty shall not apply and Hitachi shall have no obligation pursuant to this warranty if in Hitachi's judgment:

(a) you or any third party has modified, repaired or attempted to modify or repair the product without obtaining Hitachi's prior written authorization;

(b) the identification markings on your Hitachi product have been removed, defaced or altered;

(c) your Hitachi product was damaged or malfunctions due to accident, disaster, abuse, improper use, misuse, mishandling, mispackaging, shipping, exposure to dust and/or smoke, or electrical shock and/or power surges;

(d) your Hitachi product was not installed on a system configured as specified in the user's manual or was otherwise improperly installed;

(e) your Hitachi product was subjected to operating conditions outside of the range specified in the user's manual or this Warranty;

(f) you or any user of the Hitachi product failed to follow the user's manual, including but not limited to the manual's instructions regarding the proper handling, operation, service and/or maintenance of the product.

4. **Specific Warranty Exclusions.** In addition, this limited warranty does not cover normal wear and tear of the projector, including, but not limited to image burn-in or scratches or marks on the surface of the projector's lens and/or cabinet. Please also note the following warranty disclaimers and exclusions:

(a) Hitachi's projectors are manufactured in accordance with high quality standards. However, the specifications of Hitachi's projectors may not meet, and are not warranted to satisfy, all requirements of professional or high-end home theater applications.

(b) The RGB and DVI input terminals of Hitachi's projectors are intended for computer data transfer and are not designed for video signal transfer, including but not limited to the transfer of DVD signals from a computer, DVD player or any other device. For best results in video applications, component inputs are recommended.

(d) Please note that in certain projectors, tiny dark pixels or bright pixels may continuously appear on the image. This pixel phenomenon is normal, does not indicate a malfunction and is not a warranted defect.

(e) Please note that in certain projectors, black or very dark signals may be reproduced with some non-black hues. This color reproduction phenomenon is normal, does not indicate a malfunction and is not a warranted defect.

Except as stated in Section 2 above, all repaired or replaced product shall be warranted for the remainder of the original warranty period specified in Section 1 or, if the product defect occurs thirty (30) days or less before the expiration date of the original warranty, and the product is properly returned to Hitachi prior to the expiration date of the original warranty, then the repaired or replaced product shall be warranted for thirty (30) days from the date Hitachi ships the repaired or replacement product to you.

ANY APPLICABLE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THE PROJECTOR IS LIMITED TO THE NINE MONTH DURATION OF THIS WRITTEN WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

7. LIMITATIONS ON LIABILITY. THE LIABILITY OF HITACHI, IF ANY, FOR DAMAGES RELATING TO ANY ALLEGEDLY DEFECTIVE PRODUCT UNDER TORT, CONTRACT OR ANY OTHER LEGAL THEORY SHALL BE LIMITED TO THE ACTUAL PRICE PAID FOR SUCH PRODUCT AND SHALL IN NO EVENT INCLUDE INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR LOSS OF BUSINESS, EVEN IF HITACHI IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES.
